A note from the Pastor

Dear Christ The King Parishioners,

I write this note of heartfelt, gratitude for your continuous, contributions of support via our Online Banking System, church envelopes mailed directly to the office, and church envelopes placed in our secure, parish mailbox at the rectory front door.

Your generosity, faithfulness and unwavering, loyalty are most appreciated, especially during this unprecedented, time.

Our church is open daily and I encourage you to stop by for a visit.

Asking God's special, blessings upon you and those you love, I remain sincerely yours in Christ.
