**For Lector(s):** Lector #1 will be the Lector for the Mass celebrated in the Church, and will also serve as a back-up EMHC, if needed, to fill in in the event of assigned EMHC absence or if no priest or deacon assisting the celebrant.

Lector #2, if designated, will report to the Church sacristy before Mass and be available and prepared to Lector in the Community Center in the event an over-flow Mass is convened for the same time in the Community Center. If no Cantor is present in the Community Center, Lector #2 is also responsible for reading the Responsorial Psalm in between the First and Second Readings. If no priest or deacon is assisting the celebrant at the Community Center Mass, Lector #2 will also serve as an EMHC to assist the celebrant in the distribution of Holy Communion.

**For EMHCs:** The assigned EMHC is responsible for communicating the Cantor, the Lector and the altar servers on the south (pulpit/ambo) side of the Sanctuary and then for staffing the Baptismal font distribution position on the north (Mary altar) side of the Church.

<sup>1</sup> Since the Solemnity of the Assumption of the Blessed Virgin Mary falls on Saturday (August 15) this year, the precept to attend Mass is abrogated. Accordingly, none of the Masses usually scheduled for Holy Days of Obligation falling during the week are scheduled for the Assumption this year.
